Camden is planning for the next 6 years.

2007	2008	2009	2010	2011	2012
------	------	------	------	------	------

We are making a plan for the things we think are important to us all.

## Camden Together

Have your say on the future of Camden

The plan is called Camden Together.

We would like you to have your say. There are questions in green that we would like you to answer in this plan.

## November

Please send us your answers by **Thursday 30 November 2006**.

You can email your answers to [community.strategy@camden.gov.uk](mailto:community.strategy@camden.gov.uk)

or post them to:

Community Strategy Team  
London Borough of Camden  
FREEPOST LON 20084  
Room 305, Town Hall  
Judd Street  
London WC1H 9JE

You can also look at our website on [camdentogether.org.uk](http://camdentogether.org.uk) and send us your answers here.

There will be meetings to talk about the ideas in this plan in September, October and November. You can come to these meetings. We will let you know when the meetings are happening.

**By 2012, we think Camden should be like this:**

- Camden will have lots of good businesses

- it will be a place where people can learn new things and find work

- we will help to protect the world we live in

- people will like living here

- our old people and children will have better lives

- it will be safe

- there will be lots of things to do

- people will have a good life here

- these things will be for everyone

### Questions:

- do you agree with these things?

- do you think we have missed anything out?

## Facts about Camden now (2006):

- people like living in Camden

- lots of young people live in Camden

- there are many different types of people in Camden

- some parts of Camden are well kept

- other parts of Camden are not well kept

- we need more housing in Camden

- there is less crime than there used to be

- people are still scared of crime

- there are more and more people living in Camden

- doctors, hospitals and transport are busier because there are more people using them

- people do recycle their rubbish in Camden

- people want better lives and services

- we want people to have good jobs in the future

## How We Think Camden Will Be Better by 2012

### More Chances to Work:

- we want to do this by getting more people to start their own business

- we want to support more people to get work

- we want businesses to have more jobs for local people

- we want more people to be trained for work

- we want young people to leave school with skills to get jobs

- we want to help some people to come off benefits and get jobs

- we want to work on housing estates
- we will help people who live there to find work

- we will help people stop doing crime. We will help them to get jobs.

- we will think about the jobs and visitors the Olympics and Paralympics will bring in 2012

### Please tell us what you think:

- how can we get more businesses in Camden?

- what can community groups do to help people get jobs?

- how can people get help and training so they can get jobs?

## The environment – looking after the world we live in

## We want Camden to be a good place to live and work in the future

We want to:

- build better buildings

- get more people to use public transport

- have less traffic in Camden

- get more people to walk or cycle to places

- recycle more things

- use less electricity, water and gas

- have less empty buildings

## Please tell us what you think

- what do you think about these things?

- how can we encourage fewer people to use their cars?

- how can we help more people recycle?

## Being healthy and happy

- we would like people to know their neighbours. We want people to feel at home

- we want people to have good health

- we want young and old people to have better lives

## We want to:

- help different people to mix with each other

- make better parks and museums

- have lots of events like festivals in Camden.

- get more people to vote.

- set up groups so people can tell us what they think about local services and their lives

## Health

### We want to:

- help people take better care of their health
- think about what people's needs are when we set up new services

## Young and Old People

### We want to:

- have more before and after school clubs
- think about the number of school places for older children

- ask what young and old people think about the services they need

- help older people have better lives
- help older people live at home for longer

## Please tell us what you think

- how can we help you and your friends feel more at home where you live?

- how can we help you live a more healthy life?

- how can we help parents and families more?

- how can we stop people being lonely?

## Camden – feeling safe and having fun things to do

### Safe

- we want people to have more respect for each other

- we want local people to help deal with crime where they live.

## Parks and Open Spaces

- We want to keep parks open longer in summer

- We want to put in more lights so parks are safer at night
- We want to think about the layout of parks. We will see if we can make them safer.

- We want cafes in parks so people can visit them

- We will make better signs and information for people

## Things to do

- We want there to be more events in Camden. There will be more things for people to do, such as art and sports.

- We want more people to enjoy museums and arts events

**Please tell us what you think.**

- How can people, schools, neighbours and businesses help stop crime?

- Is it important that you often see police in Camden?

- Should there be more events and cafes in parks?

- How can we make it easier for people to enjoy the things Camden has?

## The Olympics and Paralympics in 2012

- We want to help more people use sports and leisure centres

- We want to get young people from different backgrounds to take part in sports and other events together.

## What do you think about the Olympics and Paralympics in 2012?

- What makes you excited about the Olympics and Paralympics?

- Does anything worry you about the Olympics and Paralympics?

**Thank you for answering these questions.**
